August 2, 2020

Dear Winfield Community and Friends,

Thank you for all your support during this time. For those that have participated in our Drive Thru Dinners, Food Truck Thursday and Summer Donation Drive, it is very greatly appreciated.

Since 2005 the community has been supporting our 50K Cash Giveaway, so it is with great sadness that we have to announce the cancellation of this event that was scheduled for September 12, 2020. We looked at many different ways to try and move forward with the event. However, the needed logistics allowing us to keep all participants attending safe and having an enjoyable time, along with keeping our members safe, were not attainable or workable with the current Health Department/CDC guidelines in place. We look forward to holding this and many of our normal fundraisers in 2021, we hope to see you then. Contact for Questions: [cashgunraffle@winfieldvfd.org](mailto:cashgunraffle@winfieldvfd.org)

With the cancellation of some of our largest fundraisers; June Gun/Cash Drawing, Carnival and 50K Cash Giveaway, we ask that if you are able, please continue to support us in our future events or through a donation.

You will find up-coming events as they are available through our Facebook or website.
